Wolfgang Amadeus Mozart was certainly one of Europe's most prolific and influential composers of the Classical era. His music has endured the test of time. Jeffrey Court pays tribute to Mozart with the introduction of Chapter 18 – Mozart's Mosaics. Classic in color, shape and design, this beautiful stone offering will add timeless elegance and sophistication to any interior.

As with all natural stone selections, we recommend installation by a professional installer to follow ANSI standards including a stone maintenance program, to ensure a lifetime of beauty.
