We highly recommend professional installation to set this material. The blending of all tiles during the setting of Rustico Elegante will ensure the most dramatic and natural looking results.

Rustic elegance is more than a look, it has become a definition of a lifestyle. Casual, comfortable and distinctive, these natural travertines from Jeffrey Court will surround you with eye-pleasing character and rustic charm.

Rustico Elegante features a classic polished surface with rustic chiseled edges that blend effortlessly with nearly all residential styles. From kitchen to bath, entryway to dining room, these rustic paving stones will make a dramatic statement of individual taste.
