The translucent beauty and utility of glass tile is exemplified by the six beautiful colors of field tiles offered in Chapter 1 Suite Glass. Each color was selected to compliment the 36 mosaics offered in Jeffrey Court’s Chapter 1 Suite Glass. Suite Glass liners are available in all 6 field colors in the same clear gloss finish, these liners create the perfect transition from field tiles to mosaics.

The large selection of 36 mosaics included in Chapter 1 Suite Glass transcends a wide spectrum of styles and design choices. Taking glass mosaics to the next level, these mosaics incorporate textured glass, hand-painted effects, metallized finishes, unique foil backed techniques, and natural stone.
